RYSL Comp Policy

060116

The RYSL has a “Comp Policy” that is divided into two programs:

1. **Head Coaches** get one-half off one of their children’s Registration fee’s each Season they coach. This part of the program is specifically for Head Coaches & does not apply to Assistant Coaches, Team Officials or BOD Members. Each Head Coach can effectively handle (2) teams and with BOD approval, maybe (3). Under extenuating circumstances and with BOD scrutiny and approval, the most teams a person can be the Head Coach of are (4), but the RYSL does NOT recommend this. Depending on the number of children a Head Coach has and the number of teams they are the Head Coach of, they have the option to use their “Coach Comp” in the “Dual Registration Program” also;
2. **BOD Members** are allotted (3) BOD Comps per Season to be used for the Seasonal Fees of their “natural children” for (1) team. If they have more than (3) natural children, they don’t pay the Seasonal fee for any of their natural children for (1) team. The BOD Members can’t participate in the Head Coaches Comp program even if they are the Head Coach of their team and as such, can’t give away the Team Comp. They also can’t give away this BOD Comp. If the BOD member has less than (3) natural children, this BOD Comp can also be used in the “Dual Registration Program” as long as it doesn’t cause the BOD member to go over the (3) Comps the BOD member is allotted. If the BOD Member has no children playing on a team, they can petition the RYSL President to use their “Comp” for another player(s) in the RYSL.

The RYSL Registrar will determine the individual’s status in both programs.

Remember, it is a privilege to coach, play, volunteer, spectate in the RYSL, NOT a right. The RYSL reserves the right to refuse acceptance to anyone.
