## Search for Sexual Predator

On Saturday, officers from Metro Police were called to Desert Breeze Park (8275 Spring Mountain Rd.) to investigate an attempted sexual assault. The Sex Crimes Bureau says the victim was jogging in the park when an unknown black man tackled her from behind. The victim fought back and told the suspect she would pay him to leave her alone. The suspect agreed and walked with the victim to a business across the street from the park to withdraw money. While in the business, the victim yelled for help and the suspect fled on foot. The suspect is described as a black male in his 20's about 6'0" tall and weighing 170 pounds. There are some grainy surveillance pictures of the suspect. Anyone who can help police is asked to call the Metro Sex Crimes Bureau at 702-828-3421 or Crime Stoppers at 702-385-5555.
