RYSL Player Placement Policy

072511

1. The RYSL will do everything possible to place your child on the team or with the friend or family member they request.
2. If a request is made, the “**RYSL Player Request Application**” must be filled out and attached to the “**RYSL Player Registration Form**” at the time they register. If the form is not filled out and attached, there will be no chance for the request to be honored.
3. So that there is **NO** misunderstanding, the needs of the RYSL will supersede all personal requests.
4. The RYSL will **NOT** place your child on a team that does **NOT** practice at the Desert Breeze Soccer Complex unless you specifically request it and you have filled out the “**RYSL Player Request Application**”.
5. In order to get priority consideration for your request, the “**RYSL Player Request Application**” must be turned in on or before the last scheduled Registration date that the RYSL gives players priority to be placed back on the team they played on the Season before. All fees must be paid by that date as a roster spot will be reserved.
6. If the “**RYSL Player Request Application**” is turned in after that date, the RYSL Registrar will do everything possible to place the player where they requested, but the needs of the RYSL will come first.
